Dear Sirs,

Re: Reclassification of Status – (DP/CL ID: IN300095 10807120)

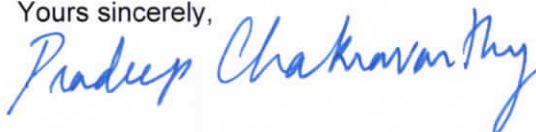

I, Mr. Pradeep Chakravarthy, holding 6,67,986 shares (0.30%) in your company, hereby submit this application requesting your goodselfs to consider for reclassification of my status from 'the member of promoter group' to 'public', subject to necessary approvals.

I wish to inform you that I am required to meet my financial commitments in connection with my domestic requirements and for this purpose I have to disinvest my shares from time to time. However, being a member of the promoter group, I am required to comply with complex regulatory requirements, which makes it cumbersome for me to execute trades at times of need and results in considerable loss of time and return. Further, I would like to state that I have been categorised as a member of promoter group only by virtue of ancestral association and do not have any participation in the day-to-day operations of the company. In view of this, I request you to kindly consider my request favourably and take appropriate steps to re-classify my status as 'public'.

I hereby undertake to comply with all the statutory requirements that have been stipulated by SEBI in this regard and also confirm that I will bear the cost of compliance, including any fees payable to the Regulators, in this matter.

Thanks and regards,

Yours sincerely,

Pradeep Chakravarthy
